These writ petitions have been filed by B.Tech students of the Calicut University who have applied for revaluation. Some of the students have also applied for answer scripts and for improvement. Exhibits P1 to P3 in W.P. (C) No.28737/2007 are the applications made by the petitioners therein. In so far as the petitioner in W.P. (C)28738/2007 it is now submitted that revaluation results have already been declared in pursuance to Exhibit-P1. However, grievance is confined to further action following Exhibit-P2 to P8. In so far as the petitioner in W.P.(C). No.28726/2007 is concerned Exhibit-P1 is the application filedo by him for revaluation.

2;. Learned Standing Counsel for the University submits that action following the applications received from the petitioners will be taken and that the University is also taking steps for streamlining the process of revaluation and declaration of results.

In view of the pendency of the applications made by the petitioners and having regard to the facts pointed out as above, I

dispose of these writ petitions directing that further action following the applications made shall be initiated and completed by the University, within six weeks from the date of receipt of a copy of this judgment, provided the applications made by the petitioners have been received and are otherwise in order.

Petitioners shall produce a copy of this judgment before the respondents, for compliance.
